2. Treasurer's Report: Jack gave us the treasurer's report stating our balance as of now is \$15754.04. We are in good shape for this time of year. We still need to pay for the replacement of four senior jerseys and varsity jackets.
3. Coach Stephens handed out a sheet on upcoming basketball items. Varsity will be in two summer leagues. The Allentown City league that plays Tuesday and Thursdays and the South Whitehall Adult League that plays Monday and Wednesdays. Sean Ward is still working on our sponsors and t-shirts for the summer league. There will be two JV teams playing at Cedar Beach on Sunday evenings. We will be participating in the Stellar Tournament on July 10 – 13th. It is yet to be decided if we will participate in Sports Fest July 24 – 27. Coach's Trojan Basketball Camp will be July 14 – 18th. His goals are to get good chemistry with the team and have them work together and let them play throughout the summer. If needed, there may be a few open gyms but this will be determined by the coach. Coach asked if we could supplement payment to Coach Justin Christein. We voted yes. Coach Ron Hoffman who works for Coordinated Health will design an off season work out for the players if they so desire.
4. AAU Summer Tournament: The tournament will be held at Parkland HS on June 6th – 8th. Greg said that we are in good shape for teams. Mike Miorelli will have the coke frig delivered that Friday and stocked with drinks. Karen Pammer will coordinate the refs. Admission will be \$5/day. Dawn will order the T-Shirts that will be given out the championship teams as their gift. Greg will set up the schedule and bracket. Jill will coordinate the snack stand and purchase the necessary items. A volunteer schedule will come thru email.
5. New Business: Web Site: Jill will be getting a new web site for the booster club. It will be in place for the fall. We need to decide on whom to use for our game videos and high light video. In the past we used Todd Schaeffer but decided not to use him last year due to cost. We need to look into our options

and make a decision who we will use for the season. Parkland Morning News is also willing to video our games throughout the year.

6. Meeting adjourned by Jim Carlon and seconded by Dennis O'Leary.
