Jamie Scalise will speak about the trainers - (Krista Petrolski, Abby Geisel and Kelsey Engle). Dawn has the shorts and will arrange a list for each coach so distributing the gifts will be easier than last year. Jill got the framed jerseys. Don Herb will bring the gift for Coach. Jill purchased a gift card from Ruby Tuesday's for Dave Davis. We will also be getting a basketball signed by the team to be displayed at Willow Tree Grove. Set up will begin at 5:30pm.
4. AAU Summer Tournament: The tournament will be held at Parkland HS on June 6<sup>th</sup> – 8<sup>th</sup>. Greg said that he has already gotten a few calls from girl's team that would like to enter. It has been placed on the AAU web site and will be placed on our booster web site as well. Greg will also hand out flyers at his upcoming AAU tournaments in the next few weeks. Karen Pammer has organized the refs. If organizations put in 10 teams they will receive a discounted price. (5 teams receive a \$50 discount, 10 teams receive a \$100 discount) Jill will have a reduced snack stand set up.
5. Basketball Program: Bill Fritz will send out the thank you notes with a copy of the 2007/ 2008 program to all advertisers.
6. New Coach: The new coach will be announced next week. Pending items:  
Stellar Tournament: Rich explained that the Stellar "catch a rising star" basketball tournament has broken apart from Sports Fest. The new coach will decide if we will play in one or both tournaments. Summer League: The new coach will announce which summer leagues we will participate in. We will then have to decide if the booster club is paying those fees or if we are

charging each player. Sean Ward is still working on a sponsor for summer league.

7. New Business: Web Site: We are still looking for someone to create a new web site for our booster club. We will then do the updating and maintaining. Jill talked to Melissa Goldstein to see if a Parkland student would be interested in doing this as a project, but she said that they did not have anyone who would be interested in doing that project. We will ask around to see what sites are available and user friendly.
8. Meeting adjourned by Dawn Carlon and seconded by Mike Miorelli.
