

January Notes: Boys Basketball Booster Club Update

(In place of the January 12th Booster Meeting - cancelled due to snow)

Longaberger basket raffle: We still need donations to fill baskets; please contact Kathi Charles to offer your donation. She is willing to take cash and do the shopping for you or you can provide her with actual items to "stuff" the baskets. Thanks again to Ann Case for donating all the baskets, the families who already donated goodies and to Kathi Charles for coordinating the baskets for each home game! Announcements are now being made at the JV and Varsity games so fans know the baskets are there.

Cash Calendar Fundraiser : We had our first few winners! This fundraiser has raised a lot of money thanks to everyone's help! Looks like we will make close to \$3,000!!

Spirit Night at Chick-fil-A: Wednesday, January 26th from 4-8 PM at Chick-fil-A on Hamilton Blvd in Trexlertown. The flyer is attached so anyone can print out as many copies as they need. Ted Schwartz encourages everyone in the Parkland Basketball Family to print the attached flyer and distribute to everyone, family, friends, co-workers, neighbors, etc. This is a relatively pain-free fundraiser (no selling!). Besides all the benefits no one will have to cook that evening. It doesn't get much better than that! The high school teams all have off that evening so there is no excuse! The booster club gets 15% of all receipts put in the spirit box so bring your appetite! There are two important notes for this event.

1. You must put your receipt in the "Spirit Box" in order for us to get credit.
2. DO NOT distribute spirit night flyers or solicit other patrons in or around Chick-fil-A on the evening of the event. Either of these will void our agreement and be cause for cancellation.

Join us at the Trexlertown Chick Fil A for a night of fun and to help the booster club raise money!

Hoop Group: Team parents will be in touch to schedule volunteers for Hoop Group on January 30th. We need about 10 parents per team to work a 2 hour shift on this day. We will also be looking for players on the JV, Freshman and Middle school teams to volunteer their time selling drinks. Kelly Rosario will send the schedule to team parents in the near future. Please consider volunteering your time; this is a huge fundraiser and all profits go right back to the program.

Youth night: Youth night was last night. We had a great turnout! The concession stand did well and all three teams had a victory! Go PHS!!

Senior Night: Senior night is **February 8th**. Ted Schwartz is looking for a volunteer to help with senior night. He is the lead for this year and most of the footwork has been done already (Thanks Kim Brannan!). This is as much to help as to learn for the following year(s). Contact Ted Schwartz at ted535is@yahoo.com or call him at 610-842-1432. A JV or Freshman parent would be ideal but no one will be refused. ;)

Alumni game: Cancelled due to a conflict. We will revisit next year; we like the idea, but it did not work this year with scheduling.

Framed Jersey for Seniors: Jill Muhr is working on this.

HiLight Video: Jill Muhr is working with Todd Schaffer to coordinate the high light video.

Middle School Team Event: Ted Schwartz is arranging with middle school parents a lunch at Rascals for the middle school teams. The combined OMS and SMS team event is scheduled for **Saturday, January 22nd from 12:30-3:00 at Rascal's** on Ruppsville Rd in Kuhnsville. This is after the make-up game they have scheduled that morning. Players, coaches and coaches families will be treated to pizza, slammers (mini-burgers) and wings and be able to relax in a fun atmosphere. They will also receive a \$5 game card to use in the game area. Any family members and siblings who wish to come along are welcome but will need to order and pay separately.

Second Harvest Food Bank Night: Ann Case is coordinating this community event - thanks Ann! Anyone who brings one or more cans of food on **February 2nd** gets a free hot dog or soft pretzel. All donated cans of food will be donated to the Second Harvest Food Bank.

Tshirts: T-shirts were handed out to all teams.

Team Apparel: All team apparel has been delivered and being worn by our players! :) Thanks to Jen Cooperman for coordinating the t-shirts and team apparel! It was great getting our apparel prior to Christmas!!

Programs: Dawn Carlon needs help getting programs to people who put ads in the program.

National Anthem: The Singers are working out well; we appreciate the talent in Parkland School District!

Next Booster Meeting: Thursday, February 10, 2011 at 7:00 in room D133 at PHS
